Primo Ledeboer Gill

Software Developer

914-491-0993 | primoledeboergill@gmail.com | New York, New York

[Portfolio Site](#) | [LinkedIn](#) | [GitHub](#)

TECHNICAL SKILLS

Languages: Javascript, HTML5, SQL, CSS, Python
Tools: VSCode, Github, Adobe After Effects, Postico
Other: Node.js, React, Express, Sequelize, Postgres, Redux, Less Css, Figma, Fluent in Dutch and English

PROJECTS

[NS Meetup](#) | **Developer**, December 2022 | **[GitHub](#)**
- Trip planner for Dutch public transit, with an added feature of providing convenient meet-up locations near the destination, and an easy tool to share, and navigate towards the given meet-up location.
- Built using third party API's from NS (de Nederlandse Spoorwegen) to find and update in real time & developed using React js, HTML, Less CSS, Axios, and other libraries
- Planning, design & development.

Book Beasts | **Developer**, October 2022 | **[GitHub](#)**
- Book Beasts is a content management system where students between the ages of 6 and 12 can write books using a provided template while an instructor can leave feedback on their content.
- Developed the Student Portal interface including the "create/edit-book" feature.
- Created a WireFrame to plan vertical slices for each team member, including design mockups.
- Developed using Node.js, Psql, React, Redux, and other libraries.

League of Legends Ecommerce Store | **Developer**, September 2022 | **[GitHub](#)**
- A functional e-commerce store for a fictional product (LoL playing cards), sourced from the LoL API.
- Wrote a WireFrame to plan vertical slices for each team member, including design mockups.
- Created the Guest Cart feature in the redux store that merges with the User Cart once logged in.
- Developed with Node.js, Psql, React, and Redux, and other libraries.

EDUCATION
City College of New York
Bachelor of Arts in Jewish Studies & Graphic Design
Graduated May 2021

Fullstack Academy Web Development Bootcamp
Software Engineering Certificate
Full Stack Javascript Web Development Immersive Program
Graduated November 2022
